

<b>Name of Institute</b>	<b>Jaywant College of Engineering &amp; Polytechnic, Killemachindra Gad</b>			
<b>Name of the faculty</b>	Prof.S.H.Kalaskar			
<b>Designation</b>	Assistant Professor, Mechanical Engineering			
<b>Qualification</b>	B.E.(Mech), M.E.(Mech)Design,			
<b>Date of Joining</b>	21 <sup>st</sup> January 2019			
<b>Contact No. / E-mail</b>	Mob.No.9595109596, Email- smilesanjay99@gmail.com			
<b>Area of Research</b>	Design Engineering.			
<b>Subjects Taught</b>	Engineering Graphics, Basic Mechanical Engineering, TQM, Numerical Methods,			
<b>Publications</b>	<b>Journal Publication</b>		<b>Conference Publication</b>	
	International	National	International	National
	05	01	01	04
	<b>Books Published:</b>			
1) ENGINEERING GRAPHICS				
2) MHT-CET MATHEMATICS				
<b>Research Guidance</b>	(i) M. Tech: NIL. (ii) BE: - Completed: - 05 Nos., Ongoing: -00 Nos.			
<b>Collaboration/Interaction with outside word</b>	<ul style="list-style-type: none"> <li>• Worked as CO Incharge for “Parents Meet 14” at ADCET on 5th January 2014.</li> <li>• Worked as judge for Drama contest in the “SNEHA14” at ADCET on 12th January 2014.</li> <li>• Worked as judge for Project contest for in the State Level Technical Symposium “PROFEST14” at ADCET on 29th March 2014.</li> <li>• Worked as judge for Poster Presentation &amp; Photo contest for in the State Level Technical Symposium “PROFEST13” at ADCET on 30rd March 2013</li> <li>• Worked as judge for Assembly contest for in the State Level Technical Symposium “PROFEST13” at ADCET on 30rd March 2013.</li> <li>• Worked as Incharge for “SNEHA13” at ADCET on 23rd and 24th January 2013.</li> <li>• Worked as judge for “Paper presentation” in the University Level Technical Symposium “INGENIOUS 12” at ADCET on 3rd March 2012</li> <li>• Worked as coordinator for One Day Workshop on “Teaching Methodology” on BE (Mechanical) part I&amp;II Revised Syllabus on 2nd April 2011</li> <li>• Worked as Poster Presentation contest Incharge &amp; Judge for “PROFEST11” at ADCET on 19th March 2011.</li> <li>• Worked as Art Section Incharge for “SNEHA11” at ADCET on 4th &amp; 5th Feb 2011.</li> <li>• Worked as judge for “Khul Ja Sim Sim” in the University Level Technical</li> </ul>			

	<ul style="list-style-type: none"> <li>• Worked as judge for “Personality Contest” in the University Level Technical Symposium “INGENIOUS 09” at ADCET on 26th Feb 2009.</li> <li>• Worked as judge for “Paper presentation” in the University Level Technical Symposium “INGENIOUS 10” at ADCET on 6th March 2010</li> <li>• Worked as judge for “Paper presentation” in the University Level Technical Symposium “ONIX10” at ADCET on 19th September 2010</li> <li>• Worked as cultural committee member for “DISCOVERY2K10” in the National Level Technical Event at ADCET on 25th September 2010</li> </ul>
<b>Honors and Awards Received</b>	Awarded for 100% results in Shivaji University in subject of ENGINEERING GRAPHICS for three years.
<b>Membership of Professional Body</b>	<ul style="list-style-type: none"> <li>• Life Member of the I.S.T.E. (Membership No. LM40720)</li> <li>• SRESA Life Membership (Membership No. LM 118)</li> </ul>
<b>Training Programmes /Courses/workshops Organized</b>	Worked as coordinator for One Day Workshop on “Teaching Methodology” on BE (Mechanical) part I&II Revised Syllabus on 2nd April 2011
<b>STTPs/workshops / conferences Attended</b>	<p><b>STTP ATTENDED: (09)</b></p> <ul style="list-style-type: none"> <li>• “Recent Trends and Challenges in Materials and Manufacturing Processes” at RIT, Rajaramnagar on 13 Nov -23 Nov 2017 (Two Week)</li> <li>• “Vibration Monitoring and Analysis Using FFT Analyzer” at ADCET, Ashta on 28Dec-01Jan 2015, (One Week)</li> <li>• “MATLAB Based Numerical Methods for Engineers” at ADCET, Ashta on 24-28 Nov,2014. (One Week)</li> <li>• “Green chemistry and Engineering towards sustainable Future” at SV NIT Surat on 18th to 24th Nov 2013. (One week)</li> <li>• “Advances in Composite Materials” During 25th June to 29th June 2012 at ADCET, Ashta (One week)</li> <li>• “Research Methodology in Engineering and Applied sciences” During 25th April to 29th April 2011 at ADCET, Ashta (One week)</li> <li>• “Finite Element Analysis and their Applications in science and Engineering” During 20th Dec to 24th Dec 2010 at ADCET, Ashta (One week)</li> <li>• Advanced Techniques in Energy Management “During 30th Nov to 4th Dec 2009. for an Outcome Based Learning Process “on 26th, 29th& 30th Dec 2009 at ADCET, Ashta.

- One Day Workshop on “Syllabus Revision of TE(MECH) Part I&II” on 9<sup>th</sup> Jan 2009 at DKTE, Ichalkaranji
- Workshop on “Future Trends in Refrigeration Technology” in 25 th Jan 1998 at WCE Sangli
- Workshop on “Material Testing” on 16th Nov & 17th Nov 2007 at JNNCOE, Shimoga
- Workshop on “Nano Technology” on 4th April & 5th April 2008 at MIT, Pune
- One Day Workshop on “Renewable Energy: An Overview” on 26th July 2008 at MIT, Pune
- Workshop on “Finite Element Analysis” and seminar on “Advances in CAD & CAE on 20th July & 21st July 2007 at CAD CAM GURU, Pune
- One Day Workshop on “Syllabus Revision of SE(MECH) Part I&II “ on 5th Jan 2008 at KIT, Kolhapur.
- Five Day workshop “MISSION 10X” on 1st Dec to 5th Dec 2008 at Karmaveer Bhaurao Patil College of Engineering & Polytechnic, Satara
