

Name of Institute	Jaywant College of Engineering and Management (JCEM), K.M.Gad, Sangli.
--------------------------	---

Name of the faculty	Mr. Sagar Baban Waghmode															
Designation	Assistant Professor															
Qualification	M.Sc.(Organic chemistry)															
Date of Joining	25 January 2020 at JCEM															
Contact No. / E-mail	Mob-7875709918, Sagarwaghmode@gmail.com															
Area of Research	Organic Chemistry															
Subjects Taught	Engineering Chemistry, Applied chemistry , Reaction mechanism, Mechanism Methods															
Publications	<table><tr><th colspan="2">Journal Publication</th><th colspan="2">Conference Publication</th></tr><tr><td>International</td><td>National</td><td>International</td><td>National</td></tr><tr><td>00</td><td>00</td><td>01</td><td>03</td></tr></table>				Journal Publication		Conference Publication		International	National	International	National	00	00	01	03
Journal Publication		Conference Publication														
International	National	International	National													
00	00	01	03													
Research Guidance	Novel process of Titanium dioxide nanaoparticals and then treated with benzimidazole derivative in ethanol and water system in applications															
Collaboration/Interaction with outside word	1. Interaction Lecture shri.Jaywantrao Bhosale Polytechnic,Jaywantnagar															
Honors and Awards/ Achievement Received	1. Achieve International level Certificate on RAREHD-2028(Recent Advances in Renewable Energy and Hygiene Device)organized by YCIS,satara 2. Achieve certificate for the Green chemistry in SGM, Karad.(Using of titanium dioxide In Ocean oil pollution protection) 3. Achieve certificates on Online FDP during COVID-19.															
Membership of Professional Body	No															
Training Programmers /Courses/workshops Organized	Organized as coordinator for Expert lecture in the department.															
STTPs/workshops / conferences Attended	5 workshops attended in the Satara of interest/ 2 courses of Organic Chemistry attended as participant in the karad
